PHYSICIAN AUTHORIZATION/ICD-9

Physician ICD-9 Code(required)

Advance Beneficiary Notice Instructions

All tests on this request form are subject to coverage limitations by Medicare and may require that an advance Beneficiary Notice (ABN) be signed by the patient prior to obtaining the specimen. When ordered tests are likely to be denied by Medicare, please complete a separate ABN with the patient's signature and date; submitting it with this requisition.

Patient Consent

Request and authorize the CLIA accredited laboratory to perform the below designated test(s) on the DNA sample provided by me. My signature below constitutes my acknowledgement that have read the Patient Information Form which outlines the benefits and limitations of this testing which have been explained to my satisfaction by a qualified health professional.

Patient Signature: _____
